

Luxembourg

2026

Why Luxembourg?

1

Stable political and social environment

2

Attractive and competitive tax and labour environment.

3

Founding member of the EU and headquarters for key EU financial institutions, with a strategic location at the heart of Europe and a long-standing openness to cross-border integration.

4

A talented, international, multicultural and multilingual workforce.

5

Home of the global fund industry: the number one investment fund centre in Europe and number two in the world. A prime location for alternative investments.

6

A growing technology and fintech jurisdiction.

7

A sophisticated, pragmatic and flexible legal and regulatory framework for investors and financial institutions.

8

A European gateway for Chinese outbound activities.

9

Strong investor protection and an open dialogue with the CSSF, a highly experienced, responsive and business-oriented regulator.

10

An insurance and reinsurance hub.

11

A European centre for sustainable finance and ESG.

12

Strong capital markets infrastructure and international leadership in debt capital markets.

We are a global law firm dedicated to creating advantage for our clients

Clifford Chance in Luxembourg advises both international and Luxembourg-based clients, including financial institutions, fund managers, corporates, and public sector and regulatory bodies, across a broad range of legal and regulatory matters.

Our lawyers combine deep legal and commercial intelligence to grow, transform, protect and defend your business across every critical moment, advising on cross-border and multi-jurisdictional matters.

We operate in the sectors and regions that matter to you. Whatever you need, we anticipate and respond as one team.

It's how we create your advantage.

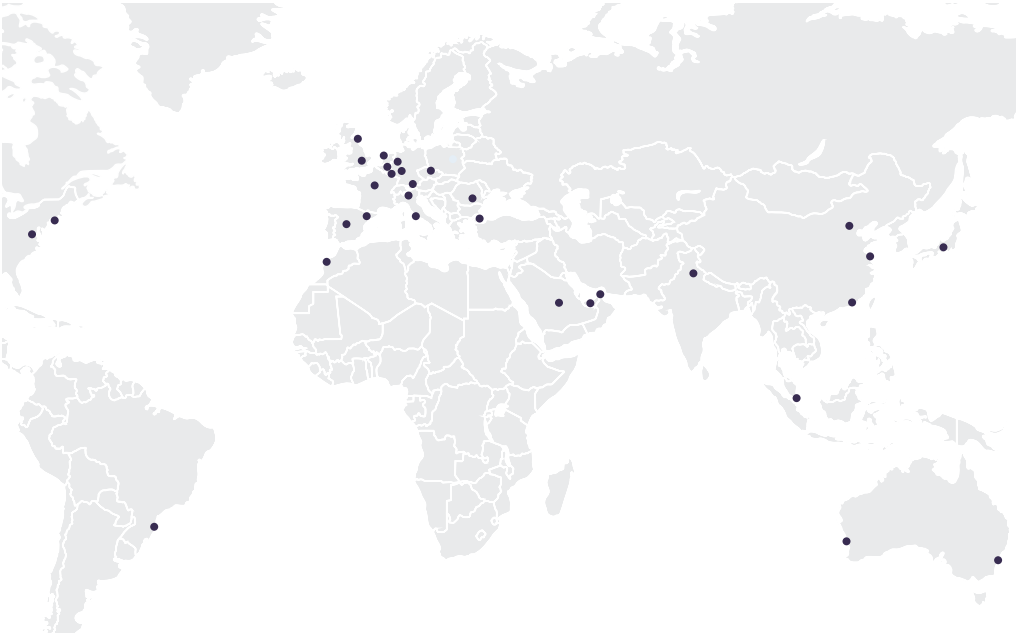

In addition to advising clients on their most complex and strategically important legal matters, our partners contribute to the development of Luxembourg's legal and regulatory landscape through roles on key regulatory, governmental and professional committees.

How we work

1

We collaborate with you, as one global team

We work by your side as one multi-disciplinary team, with deep experience in the markets that matter to you.

2

We work by your side as one multi-disciplinary team, with deep experience in the markets that matter to you.

We build trusted relationships founded on deep understanding of your ambitions and challenges. We listen. We see the world through your eyes. We combine that with our unique perspective.

3

We cut through complexity

We translate deep sector expertise into commercially actionable legal solutions. So you can move forward with clarity and confidence.

4

We help you see further, faster

We share forward-thinking insights and innovative, tech-enabled solutions to help you get ahead.

5

We're cost-conscious

We recognise that many clients operate with limited internal legal resources and increasing cost pressures. A responsive and supportive external team can make a meaningful difference.

We therefore continually explore more efficient ways of working that help clients achieve their objectives while managing costs effectively.

Market intelligence and thought leadership

At Clifford Chance, we understand the importance of helping clients stay ahead of legal, regulatory and market developments. We leverage our deep market knowledge and global reach to provide clients with timely insights, tailored legal updates, training programmes and market intelligence that support informed decision-making.

For more information on our events, training programmes and newsletters, please contact lux.bd@cliffordchance.com.

Client Portal

The Clifford Chance Client Portal provides clients with access to cutting-edge knowledge and resources in a single location, including Client Briefings, Alerters and Cross-Border Guides, helping them navigate developments across financial markets and other key sectors.

Legal Training Catalogue

Our Legal Training Catalogue offers a comprehensive range of educational resources designed to equip clients with the knowledge and practical skills needed to navigate an increasingly complex legal and regulatory environment.

Luxembourg Legal Update

Our Luxembourg Legal Update newsletters provide concise summaries and practical guidance on legal and regulatory developments that may affect your business, particularly in the areas of banking, finance, capital markets, corporate law, litigation, employment, funds, investment management and tax.

Future Minds Academy

Our Future Minds Academy is a peer-to-peer development programme created by and for the next generation of professionals in Luxembourg. It offers a valuable opportunity for young professionals to connect in an informal setting, participate in collaborative learning sessions, discuss market developments and expand their professional networks across a broad range of legal, regulatory and tax topics.

Perspective Series and Breakfast Series

We regularly host our Perspective Series and Breakfast Series across our global network, including in Europe, the UK, Asia Pacific and the United States. The Perspective Series is delivered throughout the year in a digital format, while the Breakfast Series is hosted in person in Luxembourg. Both programmes explore topical issues affecting financial institutions, investors and corporates across a wide range of industries.

Global Funds Conference

Our Global Funds Conference is a flagship annual event hosted in Luxembourg. Each year, senior partners and subject matter experts from our Funds & Investment Management, Regulatory and Tax teams across Europe, the United States and Asia come together to discuss key trends and developments shaping the funds industry. The conference remains one of our most popular client events, regularly bringing together more than 200 industry leaders and market participants.
